**NOTICE OF PUBLIC INFORMATION
CENTRE #1**

**STORMWATER QUALITY MANAGEMENT MASTER PLAN
MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT**

THE STUDY

The City of Peterborough, through their consultant XCG Consultants Ltd., has commenced a Class Environmental Assessment Study to complete a master plan for management of stormwater quality in the City. The plan builds on the Flood Reduction Master Plan and will result in recommendations to ensure sustainable operation and maintenance of existing stormwater management systems, retrofit of deficient systems and development of new systems, where feasible.

THE PROCESS

The study is being carried out in accordance with the *Municipal Class Environmental Assessment* document (October 2000, as amended in 2007). When completed, the Environmental Study Report will be placed on the public record for review by the public and agencies.

Please join us at the first of two Public Information Centres (PICs) to learn about this project and provide feedback to the project team.

Date: **Tuesday, November 1, 2011**
Time: **6:00 pm to 8:00 pm**
Presentation at **6:30 pm**, followed by Questions and Answers
McDonnel Street Activity Centre
Location: (formerly Peterborough Lawn Bowling)
577 McDonnel Street
Peterborough, ON

At this public meeting, a series of displays will be available and will include information about the study background, the problem/ opportunity statement, and some preliminary alternatives for future improvements. Representatives from the Project Team will make a presentation and will be available to discuss the material presented.

COMMENTS

You are encouraged to provide your input regarding this master plan. Comments received will be considered in the study. With the exception of personal information, all comments will become part of the public record.

Information regarding this study will be posted on the City's website as it becomes available (www.peterborough.ca). Please contact the undersigned if you have any questions on the study, for further information, or to be added to the study mailing list:
