FOR IMMEDIATE RELEASE

May 3, 2007
Peterborough, ON --

The City of Peterborough is pleased to announce the appointment of Sue Warrington as Manager of the Peterborough Memorial Centre, effective May 7, 2007.

Sue is no stranger to the City's premier arena/ entertainment centre. She started there as the Administrative Supervisor in 1996 and served in that capacity until appointed Memorial Centre Administrator in 1999. As Administrator, Susan was responsible for the arena's full range of operations.

Although Sue left the Memorial Centre in January of 2004 to assume new responsibilities as the City's Customer Service Coordinator, she has continued to play an integral role. She served as the Project Manager with Peterborough Technology Services and Memorial Centre staff to select, configure and implement the arena's new automated ticketing system. And, she was seconded for several months to serve as Interim Box Office Supervisor following the end of the City's Management Agreement with Nustadia Recreation Inc. last summer.

Sue is excited to return to the Memorial Centre in the lead role. "The Peterborough Memorial Centre is a unique entertainment facility that has a special vibrancy all its own. I look forward to rejoining the Centre's dedicated staff and working with them to recognize the exciting future that lies ahead for this versatile facility."

According to Director of Community Services, Ken Doherty, "Sue brings a wealth of experience with the facility and stakeholders, a wonderful working relationship with staff, and an unwavering dedication to the Memorial Centre."

Ms. Warrington will be replacing Interim Manager, Harold Sheldon, who will return to his regular duties as Manager of the City's Arenas Division (including the Memorial Centre) and to his division headquarters at the Evinrude Centre.
