FOR IMMEDIATE RELEASE

May 22, 2007
Peterborough, ON --

Reusables Exchange Weekend – May 25 - 27

The first **Reusables Exchange Event for 2007** is happening this weekend in the City of Peterborough! Take this terrific opportunity to clear your basement or garbage of odds and ends that have been taking up space for years, but never seem to get used.

Beginning this Friday evening, set any articles you think someone else might use out at the curb in front of your house. Over the weekend, people are encouraged to cruise the street and help themselves to any of these goodies, free of charge. They have until Sunday evening to take what they like. **Anything remaining after 7:00 p.m. Sunday May 27th must be taken back in by the owner**; the City will NOT be collecting these items.

Everyone wins – free disposal for the “giver”; free goodies for the “taker” with less waste in our landfill site!

For more details, call the Waste Reduction Office at **742-7777 ext. 1657**.

- 30 -
