FOR IMMEDIATE RELEASE

July 23, 2008
Peterborough, ON --

Harold Sheldon, Manager of the Arenas Division, is pleased to announce that the work at the Morrow Park Grandstand to reinforce the structure has been completed in time for the Peterborough Exhibition.

On April 14, 2008 Council approved the capital project to bring the structural components of the building into compliance with the Ontario Building Code. This project has been completed and the grandstand will be available to host a wide range of events at the Peterborough Exhibition from July 31st to August 3rd.

This information is also available on our City of Peterborough website at www.peterborough.ca.
