Media Release

FOR IMMEDIATE RELEASE

August 18 2008

Peterborough, ON --

At 11:36 am August 18, 2008, a report of fire was received regarding a Park Street apartment. Upon arrival The Peterborough Fire Department found the fire, from an over heated pot of french fry oil, had been extinguished by the tenant.

Considerable smoke was still in the building. Peterborough Fire eliminated the smoke using positive pressure. There were no injuries, or need for other services. There was minimal damage estimated at \$500.00.

This information is also available on our City of Peterborough website at www.peterborough.ca
