Peterborough, ON --

Local Government Week October 19 to 25, 2008

Local Government Week is an opportunity for our citizens to access more information about workings of municipal government.

During the week of October 19th to 25th we will celebrate the role that municipal government plays in helping to define the character, priorities, and amenities of Ontario's communities. This week will be known as "**Connecting our Community**" in the City of Peterborough.

Various displays and presentations will take place in the City Hall lobby throughout the week.

We will kick off the week with "**Muffins with the Mayor**" on Monday, October 20, 2008 from 8:30am to 9:30am. We encourage our residents to attend City Hall for an informal visit with Mayor Ayotte and other members of City Council.

For further information about Local Government week, please contact the City Clerk's office at 742-7771, Ext 1820.
