COMMUNITY MEETING POSTPONED – MORROW PARK MASTER PLAN

The Community Meeting originally scheduled for Wednesday, June 24, 2009 at the Evinrude Centre has been postponed until September. The actual date is to be confirmed.

It is hoped that delaying this workshop until September will allow for more of the community to take part in the workshop. The project consultants will have an opportunity to observe the summer activities at Morrow Park and gather additional information to assist with the concept plans.

R.A. Morrow Park is a significant municipally-owned park located within the area of Park, Lansdowne and Lock Streets and a residential area along McGill Street. The Master Plan project includes developing a Park Master Plan as it relates to R.A. Morrow Park, including all improvements of the park site, with a forward-thinking plan to support the next twenty years of development and use.

More information on the revised project schedule will be announced in the next few weeks.
