Peterborough, ON --

MARKET HALL CONSTRUCTION ON GEORGE STREET

The City of Peterborough is presently restoring the ground level façade of Market Hall at 336 George Street as Phase I of a multi-phase project. The project has been funded under the Building Canada Infrastructure Stimulus Program. This program provides senior government funding to provincial, territorial and municipal construction-ready projects to provide economic stimulus to communities. The restoration will take approximately 10 weeks, commencing on July 20 and finishing on October 23, 2009.

The retail and commercial businesses located on George Street will remain open for business during construction. They include:

The Favourite Greek

The Asian Grocery

Maar's Music

Dancing Blueberries

Gator's

These establishments look forward to the changes the City will be making on their storefronts and hope that their customers will continue to enjoy the many fine goods and services they provide.
