### FOR IMMEDIATE RELEASE

October 30, 2009,  
Peterborough, ON –

### Change Your Clock – Change Your Batteries

The Peterborough Fire Service reminds everyone that on November 1, 2009 when you set your clocks back one hour, you should also change the battery in every smoke detector in your home.

Don't forget to take a few minutes to plan and practice a home fire escape plan with your family. When the smoke detector sounds, everyone must know what to do.

Smoke detectors are required to be installed on every storey and outside all sleeping areas of your home. It's a small cost and effort for a huge investment in your family's safety.

This information is also available on the City of Peterborough's website at [www.peterborough.ca](http://www.peterborough.ca).
