Peterborough, ON --

PRACTICE HOME FIRE ESCAPE PLANNING ON FAMILY DAY

Peterborough Fire Chief Trent Gervais is urging families in the City of Peterborough to practice their home fire escape plan as part of Family Day on February 15, 2010.

Last year, 101 people died in fires across the province, a stark reminder that everyone in your household must know exactly what to do if a fire occurs.

"Most fatal fires occur at night when everyone is asleep, so it is very important for everyone to know what to do when the smoke alarms sound," said Fire Chief Gervais. "Everyone should know what to do and where to go to get out safely."

Simple steps for home fire escape planning include:

- Install smoke alarms on every storey of your house and outside sleeping areas. It's the law. For best protection, install smoke alarms in every bedroom.
- Develop a home fire escape plan and discuss it with the entire family.
- Show everyone two ways out of each room, if possible.
- Check that all exits are unobstructed and easy to use.
- Determine who will be responsible for helping young children, older adults or anyone else that may need assistance.
- Choose a meeting place outside, such as a tree or a lamppost, where everyone can be accounted for.
- If caught in smoke, get low and go under the smoke to the nearest safe exit.
- Call 911 from outside the home, from a cell phone or neighbour's home.
- Once out, stay out! Never re-enter a burning building.

You may have only seconds to safely escape your home. Practice your home fire escape plan and make sure everyone can get out safely.
