Open Air Burning

Peterborough Fire Services has recently attended several calls regarding open air burning within the City of Peterborough.

In order to ensure community safety, the members of the public are reminded of the present policy of the Peterborough Fire Services regarding open air burning:

1. The fire must be contained.
2. The fire must not create excessive or noxious smoke.
3. The fire must be of a size and location that does not pose a threat to life or property.
4. The fire must be supervised at all times.

This information is also available on our City of Peterborough website at www.peterborough.ca.
