Waste Collection Update: Garbage & Recycling Collection Delayed Due to Snow

Due to the poor weather conditions, the City of Peterborough's Wednesday recycling and garbage collection services are moving slowly. Collection will continue throughout the day, so please leave your garbage and recyclables at the curb.

If your garbage or recycling does not get collected today by 7:00 p.m. this evening, please bring it back in from the curb and set it out next Wednesday, February 9, 2011 for collection. Garbage and recycling not collected on Wednesday **will not** be collected on Thursday.

The winter weather makes collection of your garbage and recyclables very challenging. Please make sure that your waste containers are visible, not buried in the snow or perched on top of a snow bank.

Extra recyclables can be dropped off at the Recycling Drop-off Depot at 390 Pido Road; open 24 hours a day, 7 days a week.

This information is also available on the City's website www.peterborough.ca.
