FOR IMMEDIATE RELEASE

February 10, 2011
Peterborough, ON --

Peterborough Transit Wants to Know What You Think!

With Councillor Len Vass leading the way, an operations review is underway for Peterborough Transit. An important part of that review is providing transit users with the opportunity to tell Peterborough Transit what they think about the service, and a Comment Card has been created for this purpose. Comment cards will be on the buses, handi-vans and at the transit terminal for three weeks, beginning Friday, February 11th. Comments can also be submitted by email to lvass@peterborough.ca or via an on-line form on the City of Peterborough website (www.peterborough.ca). The deadline to submit comments is Friday, March 4th.

Councillor Vass will compile the comments and use them to shape the review of the transit system. For further information, contact Councillor Len Vass at 705-748-4411 or 705-742-7777 ext. 4615.
