New Peterborough Trails and Bikeways Map

The new Peterborough Trails and Bikeways map is hot off the press. The map shows all multi-use trails as well as neighbourhood and nature area walking trails. In addition, the map shows all cycling lanes and recommended road links between them. This map will help you “put the dots together” to find great cycling routes to visit your friends, go shopping and get to work.

For the first time, the family-friendly routes to Lakefield and Omemee are mapped and profiled. The back of the map features other local cycling information and cycling tips for people new to road riding.

The maps will be available at Bikefest, which takes place May 11th from 3:30 p.m. till 6:30 p.m. in Millennium Park. They are also available at City Hall (Reception Desk), Peterborough Green-Up, Wild Rock Outfitters and at Peterborough and the Kawarthas Tourism. The Shifting Gears Ambassador will also be bringing them to workplaces participating in the Shifting Gears Workplace Transportation Challenge.
