

City of Peterborough Media Release

FOR IMMEDIATE RELEASE

November 15 2011
Peterborough, ON --

The pedestrian walkway alongside of the Canadian Pacific Railway Bridge over the Otonabee River between Edgewater Boulevard and George Street has been closed temporarily for structural reasons to ensure the safe operation of the walkway.

An engineering inspection will determine the duration of the closure. Further updates will be issued as details become available.

This information is also available on our City of Peterborough website at www.peterborough.ca.
