

City of Peterborough Media Release

FOR IMMEDIATE RELEASE

November 15, 2011
Peterborough, ON --

A study to prepare a Waste Management Master Plan for the City of Peterborough is currently underway. The study will examine all aspects of the current waste management system, suggest improvements as required and develop a vision for the future of waste management in Peterborough.

The online survey portion of the study will close on Wednesday, November 30, 2011.

Go to <http://www.peterborough.ca/wmstudy> to complete the online survey before November 30th. All comments will be considered by the City and its consultant Cambium Environmental when evaluating options for the City's future waste management system. This site also provides updated information on the status of the study.

The Waste Management Master Plan is scheduled to be completed in August 2012.

This information is also available on our City of Peterborough website at www.peterborough.ca.
