FOR IMMEDIATE RELEASE

Peterborough, ON --

Garbage & Recycling Collection Delayed Due to Weather Conditions

Due to the poor weather conditions, the City of Peterborough's Friday garbage and recycling collection services are moving slowly. Residents are asked to leave garbage and recycling at the curb because collection will continue throughout the day.

If your recycling does not get collected by 7:00 p.m. this evening, please bring it back in from the curb. Recycling that is not collected today will be collected next Friday, January 20, 2012. Garbage crews anticipate that they will complete the collection route today.

The winter weather makes collection of your garbage and recyclables very challenging. Please make sure that your waste containers are visible, not buried in the snow or perched on top of a snow bank.

Extra recyclables can be dropped off at the Recycling Drop-off Depot at 390 Pido Road; open 24 hours a day, 7 days a week.
