Peterborough, ON --

### **Community Wellbeing Plan**

Local governments in the City, County and Curve Lake are engaging their communities through the Peterborough Community Wellbeing Plan to develop recommendations on actions to improve the quality of life for residents. The process started with a community survey last fall and has continued with a number of meetings and workshops to identify key priority areas and issues. We are headed into the final stretch. After almost 2,000 connections through surveys, meetings, workshops, and conversations, we are ready to come back to residents to share what we have heard. We want to get this right!

The public is invited to join city staff at:

Open House (drop in) - Wednesday May 9<sup>th</sup>, 7-9pm at Douro Arena, 2893 Hwy 28  
or

Town Hall Meeting - Wednesday May 16<sup>th</sup>, 7-9pm at Evinrude Centre, 911 Monaghan Rd.

Residents are encouraged to choose the date, location and style of meeting that suits them. Come out to hear about the process and the results. Bring a friend! We would like to hear from a broad group of people.
