

**Peterborough County/City Waste Management Facility**

**Soil Acceptance Application Form**

The Peterborough County/City Waste Management Facility accepts contaminated soils for daily cover or disposal, only after the results of lab analysis of the soil have been approved by City Staff. This soil acceptance application form is required to initiate the review process.

Please complete this application form and forward it along with supporting documents to:

Waste Management Division  
City of Peterborough  
500 George Street North  
Peterborough, ON, K9H 3R9  
Fax Number: (705) 876-4621

### Section D – Chemical Acceptance Criteria

Appropriate Report of Analysis must be submitted with this application form along with site and sample location plans. Chemical analysis must be sufficient in quantity and scope to represent all the material to be disposed of and all of the suspected contaminants. Analysis and criteria should be listed side by side, and any parameters in excess of the guidelines highlighted.

**1. For Use as Daily Cover: (\$20/tonne as per Waste Management By-law 07-027)**

- Any material that is not liquid industrial or hazardous and complies with the requirements specified in Regulation 347/558 Schedule 4 TCLP - Leachate Criteria AND,
- Any material with results of chemical analysis that comply with “Subsurface Soil Criteria for Industrial/Commercial Land Use for a Non-potable Groundwater Condition” Table D, in Guideline for Use at Contaminated Sites in Ontario (MOE Revised 1997) (See Attachment 1).

**2. For Disposal as Waste: (\$90/tonne as per Waste Management By-law 07-027)**

- Any material that is not liquid industrial or hazardous and complies with the requirements specified in Regulation 347/558 Schedule 4 TCLP – Leachate Criteria. (See Attachment 2).

**Intended Use of Contaminated Material:**

1. Daily Cover

2. Waste

**DISCLAIMER:** The City of Peterborough reserves the right to reject any application/load (even if the soil criteria are met) in order to protect leachate quality, address landfill capacity concerns, to comply with Certificate of Approval limitations and other regulations, etc.
