Background and Supporting Statement

Each year the Corporation of the City of Peterborough (the “City”) receives many requests from individuals and groups seeking to operate special road closure events on City streets or other City property.

It is important to coordinate all events in the City in order that municipal staff can communicate policies, guidelines and provide support to these event organizers and ensure public safety is preserved during operation.

The City recognizes that special events enhance tourism, culture, recreation, education and provide opportunities for businesses in and around the City. For ease of reference this manual will refer to parades, processions, marches and other activities that require a temporary road closure, lane reduction or rolling road closure collectively as events.

Purpose

The purpose of the Temporary Road Closure and Event Manual (the “Manual”) is to incorporate into one manual policies and procedures used by various divisions within the City to process applications for events. It will also outline an approved policy regarding the operation of events on City property, streets and roadways (“Highways”) and the associated fees and charges for related services provided by the City.

Definition of a Road Closure or Parade Event

Events are a one-time, annual or special activity, that utilize a highway, thus requiring a Temporary Road Closure and Event Permit. The municipal lands affected by a temporary road closure take place on what is referred to as the “travelled portion” of a public highway. The travelled portion may include the right-of-way, or paved portion for vehicles, or the sidewalk or boulevard.

The primary characteristics of an event that requires a temporary road closure are:

- The main purpose is to celebrate or display a specific theme;
- There are predetermined opening and closing dates/times;
- The event may consist of several separate activities in which parks or municipal buildings may be rented in conjunction with a road closure event.

During a **temporary road closure** only those parties organizing the event have access to the travelled portion of the highway.

A **rolling road closure**, managed by the police, is one type of temporary road closure and is used to permit a small parade or procession. A rolling closure interrupts the flow of traffic for a shorter period of time than a temporary road closure.

During a **lane closure** only those parties organizing the event will have access to the closed lane. Traffic will be maintained on the highway on the remaining lane(s).

To further define events there are at least twelve subcategories:

- Harvest and Agriculture
- Commemorative
- Cultural
- Sports
- Theatrical
- Raising Awareness
- Artistic
- Festivals
- Commercial
- Neighbourhood Celebration
- Cinamatographic
- Fundraising

General Policies and Procedures

**Please note: all rules, regulations & requirements are subject to change*

Rules and Regulations:

1. Applicants requesting approval to hold an event utilizing a City highway must complete a 'Temporary Road Closure Event Application Form'. The form is part of this manual.
2. All legislation, by-laws, regulations and conditions outlined in the Agreement must be adhered to by the event applicant.
3. The event applicant shall adhere to all temporary road closure policies and procedures. In the interest of public safety, failure to comply may result in closure of the event and will negatively impact future applications (e.g. City park permit or future road closures).
4. The applicant is required to provide evidence to the Clerk of all necessary licenses/permits required to operate the event. Where use of lands/parking lots/waterways are required as part of the event, the applicant must provide the Clerk with documentation from the other approval agency permitting such use.
5. If an event operates successfully, the event operator will be given first priority to reserve the use of the highway for the same date next year (extenuating circumstances may apply). **An application will still be required.**
6. Groups that intend to start/finish in a City park, for their event must request use of the park from the Recreation Division. **A park permit will be required.** Alternately, groups who intend to gather in Confederation Park, for a purpose and decorum consistent with the symbolism of the Cenotaph, must notify the City of Peterborough, Recreation Division, by letter, **no less than 30 days in advance.**
7. **Applications must be received not less than 90 days prior to the event. Applications may be received no earlier than 365 days prior to the event.** Exceptions to this policy will be solely at the discretion of the City Clerk. Any applications received less than 90 days prior to the event must submit payment for the related Administrative fees with the application (\$375 total). **Administrative fees for cancelled events will not be refunded.**
8. The City Clerk's Office is the principal contact for the Temporary Road Closure and Event Application. They will initiate the process to approve a temporary road closure with other divisions of the City and the Peterborough Police Service (the "police"), for their review.
9. The applicant, or designate, must be present on site at the event for the duration of the temporary road closure event.
10. The applicant shall inform all businesses and residents in the area of the closure, by letter or hand-delivered memo, at least 14 days in advance of the event, of the particulars of the approved temporary road closure and any detour route available. A copy of this notice shall be provided to the City Clerk.

11. Possession and/or consumption of alcoholic beverages in a park or on the closed portion of a highway is prohibited unless approved by the Arenas, Parks and Recreation Committee and authorized by the issuance of a Special Occasion Permit by the Liquor Control Board of Ontario and the Alcohol and Gaming Commission of Ontario. **Note:** The Arenas, Parks and Recreation Committee meets on the third Tuesday of each month.
12. Fire hydrants must not be obstructed; there must be a clear view from all directions, leaving a 3m radius around each hydrant.
13. Approval is contingent upon ensuring adequate signage and barricading and providing adequate emergency access at all times to the satisfaction of the Transportation Division, Fire, Police, Public Works and City staff who have the right to determine the adequacy of same. Barricades must be easy to remove to allow emergency vehicles to access the closed portion of the street and must be placed in accordance with the traffic control plan (provided by the City). The Public Works division will supply barricades to locations required and remove/pick up. The event applicant will locate the barricades on the traveled portion of the highway and remove following the event. The applicant shall be responsible for all costs related to road closure costs. **Please Note: All costs for detour signage/barricades are contingent on the route itself and must meet the requirements of Book #7 of the Ontario Traffic Manual.**
14. If main streets are closed during parking enforcement hours the applicant will be responsible for the payment of lost parking revenue (on weekdays only). If police or Traffic Division determine “Emergency No Parking” signs are necessary they shall be installed by Public Works; the applicant shall be responsible for any related fees. To accommodate installation of optional “No Parking” signs, the Applicant must provide a minimum of two weeks notice.

Securities

1. The applicant must maintain public liability insurance of at least \$2,000,000. This insurance policy must include the **Corporation of the City of Peterborough** as an additional insured. There will be no exception to this policy. Proof of insurance must be provided to the Clerk not later than 14 days prior to the event. The applicant must agree to indemnify, hold and save harmless the City and the police from and against any liability, loss, claim, demand, cost or expense, including legal fees, occasioned wholly or in part by any negligence or act or omission during the use of City property. **Please Note: “City-sponsored” events will not require insurance as they will be covered by the City of Peterborough insurance policy. A “City-sponsored” event is an event that has been approved by the Arenas Parks and Recreation Advisory Committee.**
2. The City reserves the right to set higher insurance limits depending on the type of activity planned during the event (e.g. fireworks displays, amusement rides and/or sale of alcoholic beverages).

3. The applicant is responsible for obtaining a certificate of insurance from every organization participating in the event. The certificate shall name the applicant and the Corporation of the City of Peterborough as additional insureds.
4. The Applicant is responsible for obtaining a “release and waiver” from every person participating in the event. The release and waiver shall release the applicant and the Corporation of the City of Peterborough from any liability for personal injury or death arising out of the person’s participation in the event and contain a provision acknowledging that any risk or possibility of injury or death arising out of participating in the event is voluntarily assumed by each participant. A sample waiver is included with this application as Appendix A.
5. If you wish to discharge fireworks, written permission from the Fire Chief or designate will be required. The 90 day lead-time applies to this request. The applicant must indicate that a certified pyrotechnician will be on site for the event and such pyrotechnician will provide a valid supervisor/user’s card with identification number and expiry date, as per the *Explosives Act* (Canada). The applicant must indicate on the application form that fireworks will take place. Written approval for fireworks must be issued 14 days prior to the event in order to proceed with your plan for fireworks.
6. Once the Application has been approved, the event applicant is required to enter into a ‘Road Closure or Event Agreement’ outlining the conditions of the approval. The Applicant must submit two executed copies at least 14 days in advance of the event.

Site Clean-up/General Maintenance

1. The applicant is responsible for the clean up and/or removal of all garbage upon completion of the event.
2. The City will provide all normal maintenance services. Any additional maintenance required by the applicant prior to, during or following the event shall be the responsibility of the applicant.
3. The City will not supply garbage pick up for an event unless the applicant pays for this service.

Funding

All registered charitable organizations have the option of applying for possible parade funding for their event. An official charitable registration number is required.

To apply for funding, the organization must complete the application on page 11. A budget for the event outlining revenues and expenditures must accompany the application.

The Chair of Corporate Services shall make the final decision regarding any parade funding for policing, barricade or administrative costs.

2019 Event Fees

Item	Fee
Administration Costs:	<ul style="list-style-type: none"> ▪ \$150 per application ▪ A written estimate of fees will be provided for complex road closures upon request
Barricade/Signage Costs	<ul style="list-style-type: none"> ▪ Emergency No Parking Signs – a written estimate will be provided upon request ▪ Full Road Closures will incur fees ranging from \$500 to \$2,500 to create and install signs, larger events will incur higher costs ▪ The placement and removal of barricades by Public works staff is optional and is based on a rate of \$90 per hour. There are no fees for barricades if the applicant picks up, installs and returns barricades to Public Works ▪ Production of event specific signage will be charged back to the organizer.
Traffic Administration Costs	<ul style="list-style-type: none"> ▪ \$100 per application
Parking Fees-in-lieu	<ul style="list-style-type: none"> ▪ \$12.50/occupied space on weekdays, no charge on Saturday/Sunday/Statutory Holiday
Policing Fees	<ul style="list-style-type: none"> ▪ Administration Fee <ul style="list-style-type: none"> ▪ 1-5 officers: \$125 admin fee ▪ 6-10 officers: \$250 admin fee ▪ 11 + officers: \$375 admin fee ▪ A minimum of two officers are required per event at \$70/hr ▪ Supervisor fees are \$75/hr ▪ If five or more members are assigned, one of these shall be a supervisor ▪ Police vehicles may be required at \$100/vehicle. This is at the discretion of the Police. If the organization is a registered charity or non-profit, vehicle fees are waived. ▪ A minimum of three officers are required per liquor licensed event at the above rates

Please Note: This is a basic fee schedule, depending on the complexity of the event and barricade or policing requirements, additional fees may be applicable. Fees must be paid in full 14 days prior to the event. An Event Agreement will not be executed by the Mayor and Clerk until all fees and documentation have been received by the City Clerk. **Fees are listed at the time of printing and may change throughout the year.**

All registered charitable organizations have the option of applying for possible parade funding for their event. To apply for funding, the organization must complete the application and submit a budget for the event outlining revenues and expenditures. The Chair of Corporate Services shall make the final decision regarding any parade funding for policing, barricade or administrative costs.
