

Peterborough County/City Waste Management Facility

Soil Acceptance Application Form

The Peterborough County/City Waste Management Facility accepts contaminated soils for daily cover or disposal, only after the results of lab analysis of the soil have been approved by City Staff.

This soil acceptance application form is required to initiate the review process, and must be submitted to Don Briand with completed forms and applicable analysis. No soil will be accepted without receipt of the supporting documents.

Please complete this application form and forward it along with supporting documents to: dbriand@peterborough.ca or fax to 705-743-8456.

For further information, please contact Don Briand at (705) 742-7777 Ext 2152.

Section A – Contact Information

Company Name: _____

Contact Person: _____

Address _____

Telephone: _____ Fax: _____

Email: _____

Submitted By:

Print Name: _____

Signature: _____

Date: _____ **(dd/mm/yyyy)**

Section B – Site Information

Source of Material (include name and address of generator): _____

Current Land Use: _____

Historic Land Use: _____

Haulers Name and MOE Approval #:

Generators MOE Approval #: (if applicable)

Section C – Material Information

Number of Tonne(s) of Material: _____

Source of Contamination: _____

Date and Time of Material being delivered to Bensfort Landfill:

Specific Material Characteristics (soil type, porosity, particle size, etc.):

Comments: _____

Section D – Chemical Acceptance Criteria

Appropriate Report of Analysis must be submitted with this application form along with site and sample location plans. Chemical analysis must be sufficient in quantity and scope to represent all the material to be disposed of and all of the suspected contaminants. Analysis and criteria should be listed side by side, and any parameters in excess of the guidelines highlighted.

1. For Use as Daily Cover: (\$40/tonne as per Waste Management By-law 07-027)

- Any material that is not liquid industrial or hazardous and complies with the requirements specified in Regulation 347/558 Schedule 4 TCLP - Leachate Criteria AND,
- Any material that is non-hazardous contaminated soil that meets the Land Disposal Requirements of Regulations 347 (as amended from time to time).

2. For Disposal as Waste: (\$95/tonne as per Waste Management By-law 07-027)

- Any material that is not liquid industrial or hazardous and complies with the requirements specified in Regulation 347/558 Schedule 4 TCLP – Leachate Criteria. (See Attachment 2).

Intended Use of Contaminated Material:

1. Daily Cover

2. Waste

DISCLAIMER: The City of Peterborough reserves the right to reject any application/load (even if the soil criteria are met) in order to protect leachate quality, address landfill capacity concerns, to comply with Certificate of Approval limitations and other regulations, etc.
