

Early Years Planning Network - Knowledge Mobilization Sub-Committee

LIFE CYCLE OF EVALUATION AND KNOWLEDGE MOBILIZATION

Getting the right information to the right people in the right format at the right time, so as to influence decision-making.

peterborough

EVALUATION PLANNING & DESIGN

Review of evaluation activities.
Review existing design of surveys (Educator and Family) with input from Consolidated Municipal Service Manager (CMSM).
Final development of yearly surveys.

DATA COLLECTION

Survey responses collected (Family & Educator Surveys Early Development Instrument).

DATA ANALYSIS

Critical analysis of available data begins with Data Analysis Coordinator.
Knowledge Mobilization Committee and CMSM provide feedback on preliminary and final results.

KNOWLEDGE TRANSLATION

This committee plans and facilitates approaches for sharing key data in consultation with community partners. Data is summarized and shared to parents, families, and CMSM.

COMMUNITY ACTION

Evidence-informed decisions made by CMSM, and community partners based on key data shared.
