

City of
Peterborough

To: Members of Peterborough Transit Liaison Committee

From: Barry Wakeford, Interim General Manager, Transit Services

Meeting Date: September 14, 2023

Subject: Report PTLC23-010
Update of the Transit Services Budget Considerations Report
presented to Council IPSTR23-004

Purpose

This report is to inform the Peterborough Transit Liaison Committee (PTLC) that Report IPSTR23-004 Modifications to Transit Service and 2023 Operating Budget Considerations is being received by General Committee at its September 11, 2023, and to obtain feedback from the PTLC on the proceedings of that meeting.

Recommendation

That Committee review the recommendations outlined in Report IPSTR23-004 dated September 11, 2023, of the Interim General Manager, Transit Services, as follows:

That the report be received for information.

Budget and Financial Implications

There are no budget or financial implications as a result of this report.

Background

After several meetings during the spring and summer of 2023, the PTLC provided their feedback on improvements to the Peterborough Transit system. Staff took this input and drafted Report IPSTR23-004 Modifications to Transit Service and 2023 Operating Budget Considerations which is being presented at the September 11, 2023, General Committee

Meeting. The PTLC will discuss the proceedings of the General Committee meeting and determine if any feedback is warranted.

A copy of Report IPSTR23-004 is provided as an attachment.
