

**Call for Public Art Jury Members**  
**City of Peterborough – One-Year Term**  
**Deadline: February 23, 2026 at 4:00 PM**

Are you passionate about public art and interested in shaping the cultural landscape of Peterborough?

The City of Peterborough is seeking knowledgeable, thoughtful, and community-minded individuals to serve as members of its **Public Art Jury**. Public Art Jury Members play a vital role in reviewing and evaluating artist proposals and making recommendations for public art commissions that enhance public spaces, reflect diverse voices, and contribute to the City's Civic Art Collection.

This is an opportunity to collaborate with artists, cultural professionals, residents, and City staff to support a fair, transparent, and equitable public art selection process.

Up to **five (5) professional Public Art Jury Members** will be selected through this call for a one-year term.

**About the Role**

Public Art Jury Members are responsible for:

- Reviewing and scoring artist submissions for public art projects, including Expressions of Interest (EOIs), Requests for Proposals (RFPs), direct invitations, and proposed donations
- Evaluating submissions using established artistic, technical, equity, and feasibility criteria
- Participating in jury meetings (virtual and/or in person) as required
  - Note: Jury Members will be called on a project-by-project basis. While up to five (5) members may be appointed to the Jury, not all members will review every project. Jury participation will be determined based on relevant expertise, lived experience, and the specific requirements of each project.
- Contributing professional expertise, lived experience, and community insight to support informed and equitable recommendations
- Supporting the City's Public Art Policy and Acquisition & Procurement Procedure

Jury Members make recommendations to the Arts and Culture Advisory Committee (ACAC); final approvals follow City governance processes.
