MAP INDEX, LEGEND - SCHEULE "A"

3.2 The map index, legend and maps attached hereto as Schedule "A" together with the notations, references and other information shown thereon are hereby incorporated in and declared to form part of this by-law to the same extent as if fully described herein. The Corporation of The City of Peterborough is hereby divided into the land use districts shown on the said maps. (92-58, 94-158)

3.2.1 The 'F' symbol, attached to a zoning district indicates that the property is subject to flooding, either in whole or in part and no development may take place unless it is consistent with the Flood Plain policies of Section 3.4 of the City of Peterborough Official Plan. (08-086)

BOUNDARIES

3.3 The following provisions shall apply in determining the boundaries of the land use districts shown on the maps:

- (1) Where a boundary line is shown as following a railway, street, lane or walkway the boundary line shall be deemed to follow the centre line of such railway, street, lane or walkway,
- (2) Where a boundary line is shown as the shoreline of the Otonabee River, Trent Canal, Little Lake or other water course such boundary line shall be deemed to be the high water mark of the water course,
- (3) A boundary line shall otherwise be determined by reference to the scale or actual dimension shown on the maps, provided that where a boundary line as shown appears to follow the limit between two lots or separate parcels of land, such limit, shall be deemed to be the boundary line,

ALTERNATIVE REGULATIONS - SCHEDULE "B"

3.4 The alternative regulations set forth and attached hereto as Schedule "B" are hereby incorporated in and declared to form part of this by-law to the same extent as if fully described herein.

Where a suffix, consisting of numbers and letters from the alternative regulations follows a land use district symbol on a map of Schedule "A", the alternative regulations corresponding to such numbers and letters shall apply in place of the regulations prescribed herein for the particular land use district.

MORE THAN ONE SYMBOL

3.5 If more than one land use district symbol is shown on a map to apply to an area, a lot within the area may be used for a purpose permitted in any of the land use districts so represented by such symbols provided the regulations prescribed for that particular purpose shall apply thereto.

CERTIFICATE OF OCCUPANCY

3.6 No person shall change the type of use of any land or any building covered by this by-law without first having applied for and having obtained a certificate of occupancy.

3.7 The application for a certificate of occupancy shall be made to a Zoning Officer in the form attached hereto as Schedule "C".
